

CONESTOGA VALLEY EDUCATION FOUNDATION

Gerald G. Huesken, Ed.D.
Executive Director

TO: All Grant Applicants
FROM: The Foundation Grants Committee
RE: Grant Submission

The Conestoga Valley Education Foundation is committed to selecting innovative and creative projects that enhance the educational opportunities for our students. We encourage you to write and submit a grant that meets these criteria. The Foundation is eager to fund enriching, innovative programs for Conestoga Valley students. We look forward to assisting you in making your exciting ideas a reality for CV students.

Your application has a much better chance for funding if it addresses this mission of the Foundation. Applications whose funding will impact larger numbers of students also receive higher priority. Projects that request either replacement equipment and supplies or additional equipment to that currently being used in the classroom are less likely to be funded by the Foundation. These types of requests are better addressed through existing school district processes and funding sources.

Most applicants will use the **regular grant application**. However, applicants whose requests involve a focus on technology should utilize the **Act 4 grant application**. Money to fund Act 4 (EITC) grants comes from businesses and industries, which then receive state tax credits for their contributions. CVEF is proud to be among those educational institutions that have been approved by the PA Department of Community and Economic Development to receive such contributions. We are then able to fund technology initiatives that enhance the curriculum and challenge our students.

Copies of the grant applications can be obtained at a link on the CVEF website. Handwritten applications WILL NOT be accepted. Applicants are encouraged to submit their grant requests with the online digital templates or scan and email a copy of the request with any related attachments. Questions can be addressed to Gerry Huesken, Executive Director at 717-399-1550 or emailed to gerry_huesken@conestogavalley.org. Thanks again for your ongoing support and service!

Application Deadline: OPEN SUBMISSION of APPLICATIONS for review in October and April.
